

E30A – Student Visa

This visa is intended for international students who plan to study in academic institutions equivalent to primary to high school. This visa allows students to follow educational programmes designed for younger students, such as primary to higher secondary education or vocational training. The duration of the Student Visa can be for 1 or 2 years, with the possibility of extension for an additional 1 or 2 years, depending on the study programme. This visa allows students to immerse themselves in the Indonesian education system while experiencing Indonesian culture and lifestyle.
